Marvel has designed stunning range of slim Ladder tape of 13mm which give sophisticated look and can complement your Blinds... There are 26 colors available for ladder tape & ladder string, you can chose same color to match with Wooden Slat or different color of ladder tape can be used to give contrast combination with blinds.

● **Head Rail Options :**

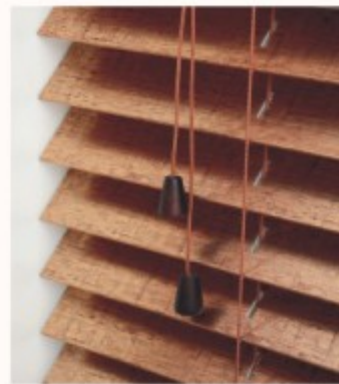

1. Inside Slat System - IS
2. Valance System - VS

Marvel is introducing two types of options to give better look for top portion of Blinds. In first option slat will go inside the Head rail and second option, Valance will cover Head rail.

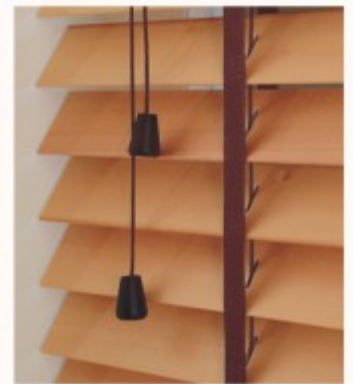

● **Mechanism :**

1. Standard Mechanism - SM
2. Two in one Mechanism - TO

There are two types of Mechanism available for wooden venetian Blinds. The first one is Two in One mechanism in which lifting and Tilting is done by same cord. In second one lifting and tilting is done by different cord.
